THANK YOU

*Very entertaining night, with a great insight into some do's and don'ts
when selling property, looking forward to seeing
your website coming live.*

Thanks, Marty Lewis

*I attended sold story 15 March at Frankston Art Centre and got so much out of it.
I am very new to development and flipping and want to further my knowledge
in the market and tips in selling to begin a successful career in property.*

Simone Taube

*I was very impressed by the quality of panelists.
It was an extremely professional and very informative event.*
